Part Information

Part Name		Part Design Number	
Resin		Mold Type	

Mold Base

Type		Vendor	
------	--	--------	--

Cavity and Core and Side Action Design

Cavity		Core	
Side Action	Slider Cam Plate	Cam Action Rotary Action	Swing Arm Pin and Sleeve Mechanism

Runner and Gate System

Runner System		Gate System	
---------------	--	-------------	--

Cooling System

Cavity Cooling Core Cooling Insert Cooling Conformal Cooling

Ejection System

Ejector Pins Ejector Sleeves Pneumatic Ejectors
Hydraulic Ejectors Core Blade Ejectors Stripper Plates
Pulling Mechanism Springs

Component Material and Manufacturing Process

Name	Material	Hardness	Finish
Cavity			
Core			
Slider			

Comments

Note:

The mold design and manufacturing industry is evolving rapidly, and we are unable to list all related details. If you cannot find a suitable option in the drop-down lists, please feel free to enter the appropriate content manually. We appreciate your cooperation.
